FOR SHOPPERS & RETAILERS

FOR SHOPPERS

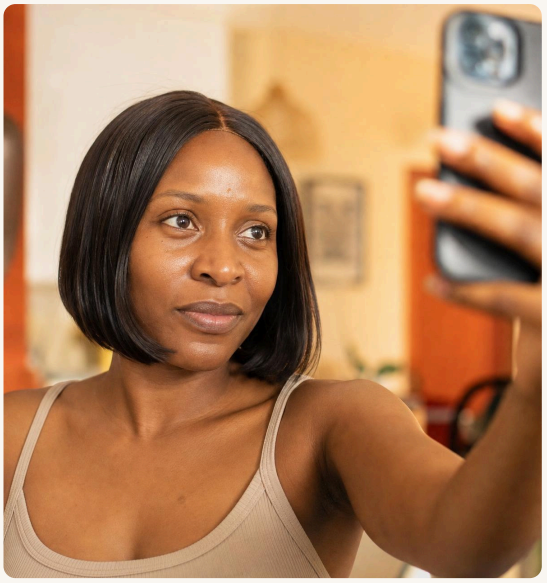

Stop guessing. Start seeing.

Wig photos are shot on someone else. Wigsmi puts the wig on you, so you buy the one that actually suits you and stop paying for returns and disappointment.

1 Upload a selfie
Front-facing, natural light. That is the whole setup.

2 Pick any style
Body wave, bob, pixie, deep wave, kinky-coily, braids, locs, twists.

3 See it on your face
Front, side and back views. Save it, share it, then buy with confidence.

FOR RETAILERS

Fewer returns. More confident buyers.

Add try-on to your store with one line of code. When a customer can see a wig on her own face and skin tone, she stops hesitating and she stops sending it back.

Fewer returns
Expectation matches reality, so less comes back.

Higher conversion
Remove the hesitation that turns a browser into a bounce.

Built for her
Designed on darker skin tones and natural Black hair textures.

NEW · SALES COMMISSION (OPTIONAL)

Get listed in the Wigsmi catalogue. Pay only when it sells.

Turn it on in your portal. Shoppers who try your wigs on Wigsmi tap "Buy" and land straight on your product page.

YEARLY BILLING SAVES AROUND 35% · SALES COMMISSION IS OPTIONAL, ON TOP OF ANY PLAN

Do customers need an account?

No. Visitors get 2 free try-ons, then 5 a month on a free account. Extra packs are £2.99 for 10.

Is my customer's photo kept?

Selfies are used for the try-on only, never sold or used to train models.

How does commission work?

You set 8–15%. We send shoppers to your shop; you log matching orders and we settle monthly.

Can I cancel?

Any time, from your billing page. Payments are handled securely by Stripe.

Beautiful hair should never be a gamble.
